Beauty Queen Has Lead In "Guys and Dolls"

Miss Chicago of 1955, Florence Babusok, plays one of the leading roles in "Guys and Dolls," next on the PM&L stage in Antioch.

"Guys and Dolls" will open on Friday, July 31. The play will also be presented August 1, 7 and 8.

Florence has the role of Sarah, the Salvation Army lass, in Damon Runyon's story of the gamblers, deadbeats and sharpies who people New York's neon-lit underworld. Her efforts to save the souls of the happy sinners are finally sided by Sky Masterson, precariously converted by his love for Sarah.

Wes Camp plays the role of Sky. Dr. Al Bucar and Dee D'Isa have the other two leading roles in the Broadway

tale of love and gamblers. Al is Nathan Detroit, operator of "the oldest floating crap game in New York." Dee is Adelaide, his "doll" who has developed a permanent psychosomatic cold in her efforts to bring Nathan to the altar.

Damon Runyon's beloved rogues of the underworld people the stage throughout "Guys and Dolls"—Nicely-Nicely Johnson, Harry the Horse, Big Jule and Angie the Ox. Music is by Frank Loesser, composer of some of the biggest song hits of our times.

Josef Hunley directs the play, aided by Ken Smouse, who also plays Nicely-Nicely Johnson. George Olliar is musical director and Lucille Evanoff dance director.

Three Ryans Make Local Art Show

Rosalie Lyons, Claire Gilday and Mike Gross, all members of the Antioch Art Guild, got to comparing notes one day and found that all three had had the maiden name of Ryan, although none of them were related. Each one had painted a picture of her grandfather.

So they decided to make the three portraits part of an art display at Lyons-Ryan Ford Sales showroom, along with some of their other paintings.

Claire Gilday is showing the portrait of her grandfather, Daniel Ryan, born in 1940 in Tipperary, Ireland. Mike Gross is the granddaughter of Timothy Ryan, born in 1885 in Deptford, England. Rosalie Lyons painted her grandfather, William Ryan, born in 1880 in Fillmore County, Minnesota.

Paintings on display at Lyons-Ryan will be changed periodically. The present paintings will hang until late in August.

Dust On North Ave. Will Soon Be Settled

Patience, motorists. Antioch's own dust bowl—formerly known as North Avenue—will soon be completed to a point where a dust-settler can be applied, says Blaine Ring, township road commissioner.

One thousand feet of the road has already received a layer of chloride to settle the dust. The chloride can't be applied until all the gravel that is needed has been put on, says Mr. Ring.

So, if you've been inconvenienced, he's sorry. It's been a big job but the work has been done as fast as possible. Mr. Ring hopes to have the remainder of the road ready for chloride within a week.

The dangerous hill on North Avenue was cut down as part of the job, providing better visibility for drivers. Incidentally, the survey made before work started showed that 900 cars a day traveled over this section of North Avenue.

Second Rabid Skunk Killed In Lake Co.

The appearance of a second rabid skunk in Lake County has brought a further warning from Dr. Arthur G. Baker, Director of the Lake County Health Department.

This is the second report within two months of a rabid skunk in the county, the first having been killed in Hawthorn Woods. The latest one was reported by Mr. Ver Plancken, who lives north of Lake Zurich. The head of the animal was examined at the Illinois Dept. of Health Laboratory where rabies was confirmed.

Dr. Baker and Dr. John Wawirka, county rabies inspector, urged citizens to be on the lookout if skunks are seen during the daytime, and to report such occurrences to the Rabies Inspector or the local police department. The skunk is normally a nocturnal animal, and when observed in the daytime, it is indicative of abnormal behavior due to rabies infection.

McHenry county has had an outbreak of skunk rabies during the past year, and these cases in Lake County may be an extension of the outbreak in McHenry.

Owners of dogs and cats are urged by Dr. Wawirka to secure antirabies shots in order to protect their animals.

TOPS CLUB MEETING

The Tops Cheerful Losers Club will meet next Monday at the Antioch Savings & Loan Community room at 8 p.m.

Famed Marching Groups To Join Shrine Parade

Preparations for the 2-hour parade that will highlight Shrine Day are well under way, with precise plans for the day being worked out by Chairman Fred Walpole and his committees and Parade Marshal John L. Horan.

Several Antioch groups, including the 4-H Club, have declared their intention of entering a unit in the Antioch portion of the parade.

A few of the Shrine units which will take part in the parade have been determined. One is the Oriental Band from Chicago's Medinah Temple, the first Oriental Band in the Shrine organization.

The Golden-Voiced Chanters, a group that contains some of the finest singers in Shrinedom.

The famed Motor Corps, a group of motorcycleists whose expert riding and beautifully appointed "wheels" and uniforms put them in the winning group in competitions all over the nation.

Medinah Temple's "million dollar" brass band, so called because it not only provides that kind of music but also because its ranks reportedly include a few millionaires.

The world-famed Black Horse Troop has provided honor guards for dignitaries visiting Chicago that include the President of the United States, the British royal couple, the King and Queen of

Yes, Antioch Has Bus Service

Did you know that there is a bus service between Antioch and Chicago, and various points in between?

We've had a good many questions about bus service. If the Soo Line petition to end passenger service is successful, the bus line could become more important to more people.

At present, the bus runs from Memorial Day to Labor Day. Bus schedules are available at Reeves Walgreen Drug Store.

One Dead In Crash North of Antioch

A Chicago man died in an early-morning crash at the intersection of Highway 83 and Hwy. C, south of Salem, Sunday morning, July 12. The Antioch-Rescue Squad took the injured to Kenosha Memorial Hospital.

Dead in the crash, which happened at about 12:30 a.m. Sunday, was Woodrow F. Maxwell, 49, of Chicago, a passenger in the car driven by Betty Lobello, 39, Chicago. She was driving Maxwell's car.

Two witnesses to the accident, Mr. and Mrs. Fred Berger of Salem, said that the Maxwell car had been traveling north on Route 83 and made a left turn in front of a car driven by Josephine Labasan, 22, of Chicago. The Labasan car was headed south on Route 83.

Miss Lobello suffered a fractured ankle and nose and internal chest injuries. Miss Labasan had a bump on her head, a bruised right arm, and was suffering from shock. Ruth Murphy, 31, Chicago, a passenger in the Labasan car, received a fractured right arm, cuts on her head and a bruised leg. Cheryl Murphy, 7, had a bump on her head.

Towne Variety Store Has Closing Sale

Elmer and Ruth Baethke, owners of Towne Variety Store on Main, have announced that they are going out of business. A "closing out" sale at the store is announced in an ad elsewhere in this newspaper.

Mr. Baethke says he has no immediate plans for the future.

Denmark, presidents of various Latin-American countries and other foreign dignitaries.

The Arab Patrol, one of the best and most colorful marching units in all Shrinedom.

Shrine Day in Antioch will be August 22. In addition to the mammoth parade, made up of both Shrine and Antioch sections, various activities will be scheduled throughout the day. The festivities are in honor of William M. Weisenborn, Potentate of Medinah Temple and a summer resident of Loon Lake near Antioch.

OFFICERS OF THE CLASS OF '54, ten years older, pose with Principal Albert Dittman and Class Officers: Don Cramer and Melvin Stillson. Left to right, Mrs. Roy Ragan, formerly Edwyna Chernik, class treasurer; Sharon Behrens Kramer, secretary; Dick Hedberg, vice president; Harold Wilson, president; Superintendent A. Dittman, Don Cramer and Melvin Stillson.

Class Of '54 Meets After Ten Years

Forty of the 76 graduates of the Class of '54 at Antioch High School made it back to Antioch for the class reunion last Saturday, July 11.

"Do you remember," "Oh, how he's changed..." and "She hasn't changed at all," were the order of the evening, as some of the classmates who haven't met in the ten years since graduation renewed acquaintance and introduced husbands and wives.

Harold Wilson, president of the Class of '54, acted as master of ceremonies, awarding several gag prizes and introducing the guests of honor, Principal and Mrs. Albert Dittman and Mr. and Mrs. Melvin Stillson and Mr. and Mrs. Donald Cramer, Class Sponsors.

Couples came from Champaign, Arlington Heights, Rolling Meadows, Northbrook, Chicago, and Kenosha for the reunion. Prize for the couple who came the farthest (a package of bunion pads in case they had to walk home) went to Henry Kapell and his wife Lorna, from Hudson, Wis. They also won the honor of having the youngest child, six-weeks old Rebecca Lynn.

Jennie Potalski Bova, Chicago, and her husband won out with the most children—five.

Dinner at Lorenz's Smart Country Club was followed by dancing to the music of Frank Cuden and his band. Class members hope to hold another reunion in five years.

CHICKEN BARBECUE SUNDAY AT PETITE LAKE

A Chicken Barbecue sponsored by the Resthaven Subdivision will be held Sunday, July 19, from 12 noon on through the afternoon at Rena Ave., Petite Lake. The chicken barbecue is replacing the annual picnic usually held by the subdivision.

The public is invited.

Lake County Fair Opens July 26

The 1964 Lake County Fair, with all the old attractions that have drawn thousands every year, and new features yearly, will be held at the County Fair Grounds starting Wednesday, July 29, and continue through Sunday night, August 2. The Fair Grounds is at the junction of Routes 45 and 120, ten miles west of Waukegan and one mile east of Grayslake.

Opening day will feature the 4-H Club Horse and Pony Show, starting at 9 a.m. More than 75 4-H members will perform in various classes.

4-H exhibits and displays will be a feature throughout the five days of the fair. A 4-H talent show will be presented in front of the grandstand on Wednesday evening, July 29 starting at 8 p.m.

A special 4-H club feature of the Show is the dog performance show starting at 9 a.m. Thursday, July 30, in front of the grandstand.

A large tent will house a

special pigeon show during the fair, in addition to the pedigree livestock of all kinds that will be judged and will be on display throughout the fair.

One of the features at the Fair will be the Rodeo, sponsored by the famous McKinley Rodeo. The rodeo will include saddle bronc riding, bareback riding, jumping horses, horse acts, mule acts, and one of the best clowns in the business.

Rodeo performances will be presented Friday, Saturday and Sunday evenings, July 31, August 1 and 2, starting at 8 p.m. and a Sunday matinee starting at 2 p.m.

In addition to the 4-H horse show on opening day, the Apaloosa Horse Show will take place on Friday, July 31, starting at noon.

A Western Horse Show on Saturday will start at 9:30 a.m. and at 1 p.m.

The All Shetland Pony Show will start at 1:30 p.m.

on Sunday, August 2. A giant fireworks show will climax the rodeo performances on Friday and Saturday evenings, July 31 and August 1.

Everybody loves a parade, and Miss Lake County Fair Queen of 1964 will lead a giant livestock and machinery parade on Saturday and Sunday evenings, starting at 7 p.m.

The semi-finalists in the Fair Queen contest will be presented on the stage Wednesday evening at 7 p.m., July 29. Thursday evening at 8 p.m. the Fair Queen and her court will be announced.

The tractor-pulling contest replaces the horse-pulling contest of other years, and will be held Sunday afternoon, August 2, at 1 p.m.

In addition to the many special shows, there will be continuous exhibits of champion livestock of all kinds, judging of the many exhibits, and displays by clubs, home makers and commercial exhibits.

To Overhaul Lake Ave. At Channel Lake Next Year

Lake Avenue at Channel Lake is going to get a major overhaul next year, according to M. Amstutz, County Highway Commissioner.

Homeowners along the street who were preparing to install sidewalks, etc., have been uncertain as to whether or not to go ahead in view of numerous rumors that were floating around about widening the road, etc.

Present plans include widening the road slightly. Mr. Amstutz said, but no definite decision has been made on the width.

Two new bridges will be installed, both considerably wider than the present bridges. They will be wide enough to permit two-way traffic on the bridge. In addition, the bridge just north of Channel Lake School House will have a raised sidewalk to promote safe walking for the school children. The sidewalk will extend up to the school house.

Both bridges will be raised above high-water level. So will the road, particularly near the North bridge.

The hill in front of the school will be cut down enough to give drivers better visibility. V-type gutters will be installed all along Lake Avenue.

Prietie, that he didn't, know his address or where the driver had gone after the accident.

Occupants of the other cars had seen only one man in the car, and Gunia's left side was injured, indicating that he had been the driver. One of the deputies recognized him as a man who had "skipped out" on a 1960 warrant for his arrest on a charge of driving on a suspended driver's license. Deputies arrested him on the previous

Jr. Deputies To Camp At Navy Base

Through the cooperation of Captain Slade Cutter, Commander of the USNTC at Great Lakes, Sheriff Charles E. Larson has made it possible for all Junior Deputies who filed an application to participate in a weekend encampment at the U. S. Navy Base.

The original July 17th weekend encampment has been changed to the weekend of July 24th to insure a more interesting tour. Bus transportation has been arranged to take Junior Deputies to Great Lakes on Friday, July 24, 1964.

The bus will depart from the Court House parking lot at 10:30 a.m. All activities during the encampment will be supervised by Navy and Marine personnel.

Participation in the program is on a voluntary basis. Other arrangements will be made for those who will be unable to participate in the activities as scheduled.

In addition to military personnel, Sheriff Charles E. Larson, Administrative Assistant Stanley Schabowicz, Lt. James Repp, Sgt. Dan McCormick and Sgt. LeRoy Grever will accompany the Junior deputies and will assume watch duties in turn during the course of the weekend.

Sheriff Larson stated that

Remodeling Klass Store For Men

Stan Toton, proprietor of Klass Men's Store, is taking advantage of the summer season to remodel his store.

New cabinets and fixtures are being installed, including new lighting systems. Open racks will replace old fixtures so that customers may "browse" and look through merchandise themselves.

"Everything will be on open display, so that customers may see the merchandise and make their selections more conveniently," Stan says. The remodeling will include a general "brightening-up" of the interior.

each Junior Deputy must be registered and have his parents' or guardian's permission to take an active part in scheduled activities. Up to this time there are 73 Junior Deputies who have signed up to participate in the encampment at Great Lakes.

Any youths between ages 13 and 17 still has time to register. He may call at the Sheriff's Office for an application which must be returned no later than the 22nd of July in order to take part in these activities.

There is no charge in the Junior Deputy organization for membership. The organization is active for summer months only. The total membership at present time is 98. Last month 43 Junior Deputies traveled to Chicago by bus and toured the Cook County jail.

EDITORIAL

A Case For Advertising

Doctors must sometimes get very discouraged at the apathy of large segments of the population so far as availing themselves of precious preventatives of disease is concerned.

The public responds nobly, with money and time, when a campaign is on to find a vaccine or other method of combating some dreaded disease. Everyone rejoices when researchers finally find a practical vaccine or other preventative.

At first, most of the public avail themselves of the long-awaited preventative. Incidence of the disease dwindles to a negligible few cases. Then the public gets careless.

Why bother with a smallpox vaccine? Who ever hears of a case of smallpox in this day and age? Why bother with a chest x-ray? Where would I get tuberculosis? Measles vaccine for my children? Oh, most kids get through measles all right.

So the number of tuberculosis cases start rising. A minor smallpox epidemic arises when a traveler develops the disease after exposing a number of fellow travelers. Children keep on dying unnecessarily of measles complications and broken-hearted parents wail, "Why didn't somebody tell me?"

Yes, doctors must get very frustrated at times. Maybe the old taboo against doctors advertising should be abandoned. Maybe it would be a good idea for doctors to be able to legitimately advertise "Get your measles shot this week." "Dr. Blank says this is the time to renew that smallpox vaccine." Everything else is advertised. Why not all the wonderful ways of combating death and crippling disease?

Laws of The Road

Editorials, so they say, can be informative, critical, humorous, laudatory—well, a number of things.

This one is meant to be informative.

There are obviously a great many motorists who either never knew certain laws or have forgotten them. They must have, as no motorist, we're sure, would willingly break the law.

First, it's illegal to make U-turns in the middle of the block, particularly on Main St. This law is broken so frequently on Main St. in Antioch that it has apparently become common practice.

A couple of weeks ago we watched a young man swing out of a parking place on Main St., make a U-turn, and hit a parked car on the opposite side of the street.

The same day, we watched as a much older man swung suddenly out of a parking place, began a speedy U-turn, and screeched to a halt about two feet from a startled pedestrian who was starting to cross the street.

These are just two of the accident-causing results of illegal U-turns.

Policemen obviously can't be everywhere all the time. It might help to put up a few signs reminding motorists that U-turns are illegal.

The law also says that motorists are supposed to stop, or slow down, so as to yield the right-of-way to pedestrians crossing the street at crosswalks. There are several clearly-marked crosswalks in Antioch. Rarely do we see a motorist stop for pedestrians in those crosswalks. And Antioch police do not seem inclined to remind them of the law. A few reminders, and again, a few signs, could very possibly cut down on the number of infractions of these laws considerably.

Courthouse Notebook

BY LOU DUKIN

The big push is on to set up a coalition ticket in the Circuit Court judicial election with many Republicans rallying around Judge Philip W. Yager, a Democrat appointed to the bench by Gov. Otto Kerner.

Many Republican attorneys are GOP precinct committeemen who would like to support the personable Lake Bluff jurist because they feel he has done a commendable job on the bench besides revealing admirable human traits, but they may find themselves forced to follow party lines because to many Republicans the thought of voting for a Democrat is like voting for the devil.

Even if the Republican nomination can be wrangled for Judge Yager along with his assured Democratic nomination there can still be a three-way tie fight for the Republican nomination to fill the vacancy which will be created a few hours after Judge Thomas Moran wins the Appellate nomination in Elgin next week.

Latest to enter the fray is Atty. Fred Geiger, of the Waukegan law firm of Finch and Geiger, who is expected to match delegates with Associate Judge LaVerne Dixon and Highland Park Atty. Mort Singer.

Geiger has frequently been mentioned as a judicial candidate when past vacancies occurred, but this is the first time his candidacy has advanced this far.

And let's have no talk about calling his delegates and supporters "Geiger Courtiers."

Look for the next big business boom to be in printing of "private club" membership cards as resorts and restaurants in the area seek ways of circumventing the spirit, if not the letter, of the new civil rights legislation.

Many places in the county have already posted "Members Only" sign and special exorbitant price lists for "non-members." What they don't specify is that non-membership refers to the white race.

So far there have been few racial incidents in Lake County's resort areas, but the sudden emergence of scores of "private clubs" is almost certain to be recognized as a subterfuge by civil rights leaders and the legality of these "clubs" will be tested.

While on the subject of civil rights we wonder if civil rights leaders will be as vociferous in the denunciation of the "reverse discrimination" sometimes practiced in criminal court actions in Lake County.

Under this "reverse discrimination" Negro defendants are given great leniency and consideration in such areas as possession of deadly weapons, knifings, cuttings, and immoral behavior.

The theory apparently has been that such incidents are the normal way of life for the Negroes and they shouldn't be expected to conform to the same laws and standards as the white people.

This, of course, is an even more degrading form of discrimination than posting a sign "For Members Only."

The decision to put Republican County Central Committee Chairman Robert J. Milton on a payroll with the bulk of the cost assumed by the Republican Federation is regarded generally as a good move since it will give the party leader the opportunity to devote full time to the chairmanship.

There are some, however, who feel that the arrangement will give the federation which has a strong "Gold Coast" flavor, undue influence on the conduct of party affairs.

Assurance of a weekly stipend for his efforts on behalf of the party should eliminate the temptation for Milton to become too intimately associated with a GOP primary candidate in the future so he can devote more time to organizing the campaigns at the county level.

Milton will certainly earn his money in the next few weeks just toiling oil to troubled waters in his own bailiwick.

You have to go back 30 years to find an election campaign in which the Democrats in Lake County have displayed as much enthusiasm and optimism as they prepare

Well dang me! I guess they oughta take a rope and hang me! Seems some folks took offense at a few well chosen words of mine last week, so I hereby offer my personal public apology to all the offenders (offendees) (offended)?? Oh, if the shoe fits, wear it!

THE LATEST REPORT: Two more certain vacancies to appear on Main St. and the probability of a third, should give the present C. of C. some food for thought. . . . Mike

and Ann Schamberger returned last Saturday from an extended European vacation. Ann Ryan has taken to having her own livid chauffeur on occasion, how about that! "You'll have to ask her about the details. . . . Bob Wilton isn't planning an outdoor Laundromat, he's just stocking up, and I mean up! . . . and just to prove you learn something new every day, did you know that you can purchase PEACOCKS at a house on Grass Lake Rd.?"

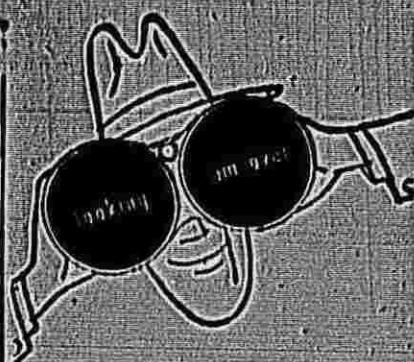

NOTES TO YOU: Have you seen the Diet Rite T-V commercial? Don't you think the young lady is a dead ringer for Carol Anderson (Mrs. Ronnie)? . . . You can imagine the chagrin present when a group of students of St. Mary's observed a certain Village ossifier committing six violations one day last week. . . . Now it's an ancient Horse Drawn Milk Wagon for that vehicle collector extraordinaire, Dave Nissen. . . . a sight to behold is Bruno Buck and Twinkle Toes (his tawny coil) headed for a local pub, to indulge in a daily glass of whatever it is colts drink in the afternoon. . . . Do you remember when everybody longed to catch one of a pair of fish named Oscar and Minnie, whose tags would bring the lucky angler prizes beyond his dreams? If you do maybe you'll remember who sponsored it and find out why we don't have that Finny couple in our midst anymore.

THE LAST DROP: Bill Brook and Ted Larson are taking no chances of their friends not believing those Canadian fish stories, they brought back pictures in living color. . . . the Dick Miller family return this week from a Northern Wisconsin camping trip, and become living proof that Outdoor Life is more than just a Magazine. . . . Each week it becomes more difficult to hunt out the little humorous incidents in your lives, and because of my anonymity there is a handicap in questioning some of you, so how about you sending in some of the lighter side of life happenings about yourself or your neighbor, and let me help you share them with those whose lives need a cheerful note. We won't use your name if you prefer, but each letter must be properly signed for obvious reasons.

The greatest show on earth—an American Political Convention for the nomination of a President—got underway in San Francisco this week. Millions of Americans will stay glued to their television sets this week to watch the flinching, maneuvering and general antics of the politicians intent on nominating a Republican who can give President Johnson a run for his money. The only thing they can be sure of right now is that no one can safely predict who—or what type of man—will be in favor with the American voter in November. One unhappy incident, or a chain of incidents, can change the temper of the ballot-markers enough to spell Victory or Defeat for a candidate overnight.

Did you read about the young lady in New York who, deciding she was not going to meet the same fate as the Genovese girls, started carrying a switchblade knife. (Miss Genovese was murdered while several people watched.)

The young lady WAS attacked, and defended herself vigorously. Vigorously enough so that the man involved showed up at a hospital for treatment and a story about being stabbed by strong-arm robber.

The young lady identified the man. She was then arrested for carrying a switch blade knife, illegal in New York.

Wonder if there's a law against carrying knitting needles? Or hat pins?

What Gas Is Right For Your Car?

If modern automobile engines are a wonder of efficiency, compactness and power we can give a hefty share of the thanks to equally modern gasoline that is almost twice as good as it used to be.

Compared with 1930 when one ton of car weight was moved about 33 miles per gallon, present-day fuel will move a ton about 50 miles under the same conditions.

The improvement is largely accomplished in higher octane ratings that have crept up to the point where most gasolines today are higher-rated than fighter aircraft fuel of World War II.

What fuel rating is right for your car? About 30 per cent of all cars on the road today require a premium fuel and their owners would sacrifice performance without a corresponding saving in miles-per-gallon by failing to use it.

Generally speaking, if the compression ratio of your engine is 8.7 or less, standard grades are sufficient. Upwards of that ratio you are saving nothing with standard gas and you can do real harm to your engine.

Whatever the compression rating of your engine, your ignition timing must be set correctly for best performance and economy. Oil company researchers making spot checks report an average 86 per cent of cars have their ignition timing set imperfectly. Ninety per cent of these had advanced timing and the balance retarded.

You'd be wise to bring your car in for a timing check and then evaluate it for the right gas octane in case your compression is borderline.

These Wars Are Over

At long last it looks as if something constructive may be done within the foreseeable future about those federal excise—or sales—taxes that are a hangover from World War II and the Korean War.

A House committee has been studying them with a view to ultimate revision. It is expected that reductions, if not total repeal, will come within two years or less.

If this turns out to be the case, the government will be just about 20 years late in getting around to this particular kind of tax reform. When the excise taxes were imposed, everyone expected that they would be ended with the wars that were responsible for them. But Congress took the easy road and kept them alive year after year.

The taxes are often called luxury levies. But that, to most minds, is a misnomer. The toilet articles used universally by women hardly fall into the luxury class in our kind of society. Nor do handbags, wallets or wedding rings, all of which are subject to the tax. Nor does a coat with a little fur trim which is another tax-soaked item.

This emphasizes an often overlooked fact—that we need to pay close attention to taxes other than the income tax. And we need to pay special attention to taxes which are imposed, supposedly, for the duration of a real emergency and then are continued long after that emergency has passed into history. This is the status of the federal retail excise taxes.

Married In Double Ring Service At St. Peters

Yvonne Ann Gussarson, Antioch, and William J. Mikes, Jr., Chicago, were married at St. Peter's Catholic Church in Antioch at 11 a.m. Saturday, July 11.

The Rev. Alfred J. Henderson officiated at the double ring service. The bride was given away by her father. The bride is the daughter of Mr. and Mrs. Otto Gussarson, Rt. 4, Box 496, Antioch. The bridegroom is the son of Mr. and Mrs. William Mikes, Sr., 2314 N. Latrobe Ave., Chicago.

The bride's gown had a fitted bodice of chintilly lace trimmed with pearls and rhinestones. The long, bouffant skirt was of nylon chiffon over tulle with a cathedral train. The fingertip veil was held by a crown of pearls, accented by a pearl and rhinestone rose in front. She carried white roses accented with green leaves.

The maid of honor was Miss Virgene Huff of Bristol, Wis. Bridesmaids were Wendy Gussarson, sister of the bride, Marilyn Anderson and Gerri Dufern.

The bride's attendants wore floor length gowns of light orchid tulle, with dark orchid trains. The maid of honor carried a bouquet of white carnations with green fern and white ribbons. The bridesmaids carried white carnations with lavender ribbons.

Best man was Mike Wortal, Chicago. Groomsmen were Robert Anderson, Fred Nocar and Paul Schindel.

Class Of '48 Has Reunion

By Del Jahneke
The Antioch Township High School Class of 1948 held their first reunion on Saturday, July 11, at Hank's Supper Club in Waukegan.

Of the 38 original graduates, 25 of them were present with their wives and husbands. Mrs. Warren Sheehan and Miss Mary Donovan, their class sponsors, were also able to be there.

Mr. Ernie January acted as Master of Ceremonies—he had been class vice president. Mrs. Warren Polsgrove and Mrs. Virginia Wiegold made all the arrangements for the Reunion party, as well as contacting all the graduates.

Among other prizes awarded, Mr. Don Holum, Jr., received a gift for being the first one to make his reservation. His gift(?) was a nice fresh fat worm—for being the "Early Bird." Mrs. Wiegold won an award for having the most children—five of them!

The evening was spent mostly in dining, visiting, reminiscing, and making arrangements for their 20th class reunion.

Steak-Out At Cedar Lake Park This Saturday

The Cedar Lake Park Association, at its annual meeting on July 12 on the grounds of the Sons of Norway, elected the following slate of officers: Mr. G. Carlquist, president; Walter Rodomacher, vice president; Mrs. M. Mahoney, secretary, and S. Kallia, treasurer.

Seven directors were elected: L. Dumeister, G. Powell, B. Trathier, P. Yurgens, Mrs. F. Kalas, A. Schutz and J. Hipsman.

P. Yurgens was again appointed chairman of the "Steak-out" committee, to be held Saturday, July 18, from 4-7 p.m. on the grounds of the Sons of Norway in the subdivision. Mr. Yurgens expressed his appreciation of the fine cooperation he received from members last year which made the steak-out such a success.

He expects even more guests this year, he said, and will arrange to have a larger stock of fine steaks. The steak dinner will be followed by dancing to the music of the Larry Jurgalis orchestra from 7 p.m. on.

Meet Dr. Sims, Mr. Average M.D.

The Illinois State Medical Society has adopted a stylized cartoon of the average doctor as an identifying symbol of the Society.

"Dr. Sims'" face will accompany health messages issued by the Medical Society from now on. The name was devised from the letters of the Society's name—ISMS.

The Society compiled statistics revealing the qualities of the average Illinois physician.

The study showed that 90% of Illinois doctors are in private practice, 21% of these in partnership with a colleague.

The average physician treats 118 patients a week—91 in his office, 23 in the hospital and four in their homes.

He writes 20 prescriptions daily.

One-third of Illinois doctors are general practitioners, two-thirds medical specialists.

60% of the doctors are equally divided between the ages of 35 to 45 and 45 to 55.

Most are family men—92% married, with an average of 2.5 children.

Two-thirds of the state's physicians live in the Chicago metropolitan area.

The average number of cars owned by doctors is 1.3, and he drives 14,697 miles in a year.

He attends three out-of-town professional meetings annually. One of every two doctors has lectured or had a scientific paper published within the past five years.

A camera is the recreational item purchased most frequently by Mr. Average Doctor.

So this is a picture of Dr. Sims, the average doctor. Does he match your doctor?

What Kind of Dam?

Every time severe floods hit some section of the country there is renewed demand for the construction of big federal dams to catch and hold the water. Needless to say, this approach is solidly backed by specialized power groups who are more interested in the power producing potential of such dams than in their flood control value.

The fact is that, in a great number of cases, there is no need for the big and extremely expensive dams. Small earth-filled dams in the headwaters can capture the water before, not after, the damage has been done and later release it into rivers in an orderly fashion. These small dams can be constructed at a relatively modest cost by local contractors, thereby helping local communities.

They would back up reservoirs that would serve as recreation areas and provide fish habitat in the higher elevations. And there would be fewer productive valleys inundated by the lakes that the huge federal projects create.

Sound conservation involves obtaining maximum result for minimum cost. When it comes to effective flood control, networks of small dams can often fill the bill perfectly.

Champ Milk-Drinker To Be Chosen At State Fair

Gov. Otto Kerner will be one of six contestants in a milk-drinking contest at the 1964 Illinois State Fair on Saturday, August 15. Hold-

ing their hands behind their backs, each of the bibbed contestants will sip the milk from a tall glass through a straw.

The one who drains his glass first will be named "Champion Milk Drinker" and awarded a ribbon. The whole event will be broadcast over WGN radio during Country Fair.

Accent on Youth At Illinois State Fair

The Teen-Age Fair will be a separate and complete exposition for the young set at this year's Illinois State Fair.

Dubbed a fair-within-a-fair, the Teen-Age Fair will cater to the tastes and interests of American youth. A beauty pageant, style revues and sports exhibits will offer youngsters something new and exciting in one spot, set off from other fair activities.

Girls 14 to 18 years of age may enter the beauty pageant where "Miss Teen Prairie State" will be selected. Top prize will include an all-expense trip to Hollywood where a national winner will be chosen.

The Illinois State Fair will run August 14 through 23.

"SERVING THE LAKE REGION SINCE 1894"

HOWARD SHEPARD, Antioch Rescue Squad, shows the life-saving class at the Antioch Aquo Center how the Rescue Squad's inhalation-resuscitation unit works.

Direct Dial Comes To Lake Towns

Direct Distance Dialing, the fast, modern way to call long distance, will be introduced to many "lake town" telephone customers in the fall of 1965, announced Dick Miller, Illinois Bell manager.

The service improvement is being planned for nearby exchanges including Round Lake, Grayslake, Fox Lake, Lake Villa, Lake Zurich, Wauconda, Zion and other communities served from those dial offices.

Direct Distance Dialing, or "DDD", already allows tele-

phone users in Antioch to dial their own station-to-station calls direct to more than 83 million phones in the United States and Canada, the manager said. With DDD, phoning across the country is almost as fast and easy as dialing a phone across the street.

"This is part of Illinois Bell's overall program announced recently to improve telephone services," Miller said. "We have had these areas under study for some time, and now we have concrete plans and a tremendous amount of work to do to make these improvements."

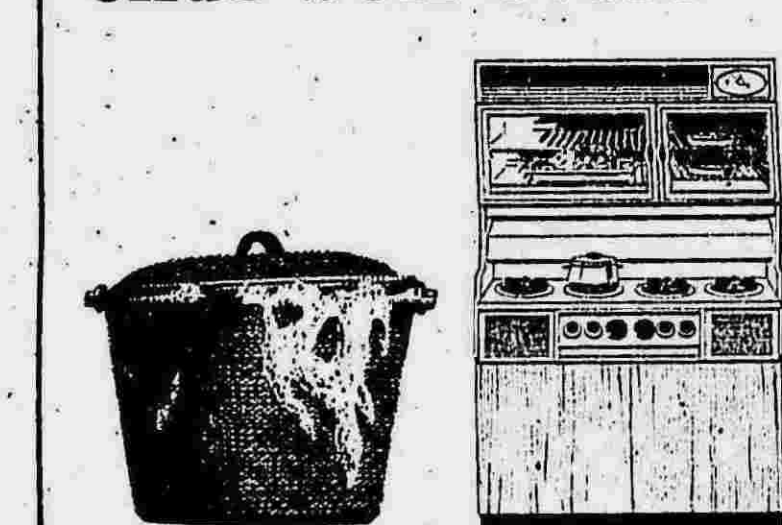

An addition to the rear of the one-story dial office in Round Lake will be necessary to make room for some of

the equipment required to provide "DDD" next fall. The addition will be of similar construction, brick with concrete trim, as that of the present office. Considerable equipment will also be added to the Libertyville dial office which will be the centralized switching center for Direct Distance-Dialed calls from this area.

"DDD" is possible because the United States and Canada are divided into more than 100 telephone areas—each with its own three-figure Area Code. Antioch Area Code is 312, which also includes most of the Chicago metropolitan area.

"Dialing direct is easy," Miller said. "All 'lake town' telephone users will have to do is dial an access code to the long distance equipment, the distant Area Code and then the telephone number. Complete information on how to use the new service will be mailed to customers well in advance of the change. We know the announced date for this service is some time off, but we're working as fast as possible to bring improved service to these areas."

Evening Meets For Public At Salvation Army Summer Camp

Some 200 students are expected to attend the annual Territorial Bible and Leadership Institute sponsored by the Salvation Army at Camp Wonderland, six miles northwest of Antioch, from July 21-31.

Evening programs every night from July 22-30 are open to the public. They start at 7:45 p.m. Among the programs planned are an old timers' meeting; a catacomb service which will be conducted in the spirit of early Christian times; a youth night featuring Gil Dadds, famed track star; campfire, fellowship and inspirational meetings; a dramatic presentation based on the life of Commissioner Samuel Brenge, and a candlelight service on the last evening.

Kane County Fair Horse Show In Aug.

On August 7, 8 and 9, 1964, the annual Kane County Fair Horse and Pony Show "comes to town." For exhibitors all over the country, this is on the preferred list of shows due to its quality and importance.

It is a member of the Northern Illinois Horse Show Association, and is approved by the American Shetland Pony Club. The rules of each of these groups are recognized, and exhibitor members are credited with all points won in this show.

To the non-exhibitor, the Kane County Fair Horse and Pony Show means the beauty and performance of fine, gaited horses, the rhythm of the Tennessee Walkers, the excitement of skidding roadsters, the color of the parade horse, the pride of the high stepping hackneys, the style of the fine harness horses and ponies, the thrill of the jumpers, and the pageantry of the hunters.

The 1964 show will have all of these horses and ponies will be brought from approximately 20 states, and spectators will see over a million dollars worth of horseflesh. World champions in the horse and pony classes exhibit at this show, and the audience is treated to a variety of classes

DEATH NOTICES

ROBERT E. PINCOMBE
Robert E. Pincombe, 64 years old of Grass Lake Rd. near Antioch, passed away Tuesday, July 14, at 7:30 a.m. in Victory Memorial Hospital in Waukegan after a short illness. He was born March 15, 1910 on State Line Road near Winthrop Harbor, Ill. He lived in Chicago and Park Ridge before moving to Antioch area in 1947.

Mr. Pincombe married Margaret Thompson at Crown Point, Ind., in 1933. He was employed as a carpenter by the Newberg Construction Co. of Libertyville, which is presently building the Chicago Civic Center. He is a member of the Antioch Methodist Church; member of the United Brotherhood of Carpenters and Joiners, Local 1996 of Libertyville; member and Past Master of Sequoia Masonic Lodge 827 A. F. & A. M. of Antioch; member and Past Patron of Antioch Order of Eastern Star Chapter 428.

Survivors include his widow, Margaret; three daughters, Cheryl Lee, Phyllis and Mrs. James (Janet) Williams, all of Antioch; one brother, Harold Pincombe of Melrose Park, Ill., and one sister, Mrs. Beulah Fritz of Lombard, Ill.

Funeral services will be held at 1:00 p.m. Friday at the Strang Funeral Home, Antioch. The Rev. Donald Cobb of the Antioch Methodist Church will officiate. Burial will be in Acacia Park Cemetery, Chicago.

Friends may call at the funeral home after 7:00 p.m. Wednesday, where a Masonic service will be held at 8:00 p.m. on Thursday. The family requests that flowers be omitted.

CARL V. STAMM

Mr. Carl V. Stamm, 81 years old of Lakeview Terrace in Antioch Hills Subdivision near Antioch, passed away on Sunday, July 12, at 4 a.m. in the Lake Villa Nursing Home after a lingering illness.

He was born August 10, 1882 in Gottenborg, Sweden. He came to America in 1897 to settle in Chicago, where he resided until moving to Antioch four years ago. He had worked for the A & J Iron Works in Chicago for over 40 years as a boilermaker. He held membership in the International Brotherhood of Boilermakers Local No. 1, and the Ivar Lodge No. 27 Independent order of Vikings, both of Chicago.

He was preceded in death by his wife Elin M. (nee Smedberg) Stamm on Nov. 29, 1959. He is survived by two daughters, Mrs. Harold H. (Virginia) Knutsen of Antioch, with whom he made his home; and Mrs. Robert (Agnes) Allgire, Chicago, and 5 grandchildren.

Funeral services were held at 1:00 p.m. Wednesday, at the Henry W. Mueller Funeral Home at 5308 West Belmont Ave. in Chicago. Interment was in Memorial Estates at North Lake, Ill. Local arrangements were made by Strang Funeral Home at Antioch.

LOTTIE M. JONES

Miss Lottie M. Jones, 90 years old of North Ave., Antioch, passed away Tuesday, July 14, at 3 a.m. in Lake County General Hospital at Waukegan after a short illness. Miss Jones was born April 27, 1874 in Antioch township and has been a lifelong resident of the Antioch area.

Miss Jones worked at the U. S. Post Office in Antioch, and was the Postmaster for many years before retiring in 1933. She was a lifelong member of the Antioch Methodist Church and the Wesley Circle. She was preceded in death by one sister, Mrs. Olive Haycock in 1942.

Survivors are one nephew, Orville Haycock with whom she made her home for the past 14 years. Other cousins also survive.

Funeral services will be at 4 p.m. Friday, July 17, at the Strang Funeral Home, Antioch, with the Rev. Donald Cobb of the Antioch Methodist Church officiating. Burial will be in Hillside Cemetery in Antioch.

Wrong-Way Decker Throws Figure-8 Race Into Turmoil

First running of Figure 8 Racing in Lake County last Saturday night at Waukegan Speedway offered roll overs, many wrecks and Bob Klemm of Waukegan winning both events.

Once again Frank Decker was out to get everyone on the track. However, Klemm beat him off in both races.

Although the Figure 8 race is run on a prescribed course, Decker threw the rules to the wind and once again made a demolition race out of the Figure 8. He chased cars through the infield, went the wrong way and used reverse gear to demolish everyone in the race but Klemm.

The fans were on their feet the entire race and obviously,

Figure 8 Racing is here to stay.

In late model racing, Odell Jones of Waukegan was in the slot as he walked away with the feature and trophy dash for his efforts. In the feature Jones and Ray Dixon of Gurnee tangled horns with the lead changing hands several times and a close finish with Jones winning by a fender length.

Earlier in the evening Dixon drove a fine race to capture the flag in the first heat race. Second heat went to Jim Ford and third to Jim Cossman of Waukegan. In spite of the threatening weather attendance continues

to increase at the new Waukegan Speedway.

REIMER TAKES SUN- DAY NIGHT FEATURE

Cold weather and high winds didn't hold back racing fans or drivers as New Waukegan Speedway offered the finest program of racing this season.

John Reimer, after taking 8th at Milwaukee in the afternoon, drove two beautiful races, capturing the feature and 1st heat race. Reimer fought it out with Glen Wagner and Ken Talagan and with 4 laps to go pulled to a commanding lead.

In the semi-feature for modified cars, Leo Weslaski led the field of 17 cars and won out over Jim Sullivan, who pushed all the way. Heat races were won in near record time as all the modified drivers were clicking.

Jim Sullivan of Antioch took the first heat in 2:58. Chuck Utecht won the second heat in 2:56. Third heat went to Jack Radtke with the time of 2:55. And a blistering 2:52 fourth heat was won by John Reimer.

The late model sportsmen were not going to be outdone and displayed their abilities with two near photo finishes. In the feature race, Jack Ester of Waukegan beat off four other drivers to a fine win. First heat winner was Joe Miller and second heat went to Jim Luther by two inches of automobile.

Several of the boys who are regular drivers at the Waukegan track drove in the big stocker race at Fair Grounds Park in Milwaukee, and made a fine showing. All these drivers are moving up in the racing field and can be seen every Sunday night at the New Waukegan Speedway.

Nelson Pitches 2nd No-Hitter

In Little League action last week, the Sox finally broke their losing streak, and Ricky Nelson of the Cubs pitched his second no-hit game. Earlier this season, Ricky got his first no-hitter against the Dodgers.

On Tuesday the Sox lost their 9th straight, 8-7 to the Tigers when Tiger pitcher John Schaefer drove in the winning run in the last of the sixth, but two nights later the Sox exploded against the Dodgers for 12 runs. Jim Kopriva held the Dodgers to 4 runs, and the Sox shortstop, Larry Buchta, hit a three-run homer.

The Yankees were the victims of Ricky Nelson's second no-hitter as the Cubs won 8 to 0. The Cub outfield could have sat in the stands and watched the game as all pulled drivers were clicking.

On Friday night the Giants scored 16 runs on only 5 hits to down the Tigers 16 to 4. The Giants remained 3 games back of the Cubs in their fight for the Gray Division championship. With four games left, two Cub wins or Giant losses would assure the Cubs of the divisional crown.

In the White Division, the Tigers are one game ahead of the Dodgers and two and a half ahead of the Yankees. The Tigers and Dodgers have four games left, the Yankees five, so the divisional championship is still up for grabs.

Wis. Drivers Sweep Races At Wilmot

Lee Weslaski of East Troy, Wisconsin, started off a string of wins at the Kenosha County Speedway Saturday night in modified stock car racing that went unbroken for the night for Wisconsin drivers. Only driver to score a win for Illinois was Dick Aissen in the second spectator car race.

The evening of racing rushed along in good form until the modified feature race and it then took three restarts before the race was concluded.

On the first start all cars got in two laps before Dennis Burgen, Bill Bohn, Ron Larson and Fray Seannars got in a tangle. They were not injured but only Dennis Burgen was able to get out of his car without being in danger of being struck by the cars as they went by.

On the second start, the fleeing cars had reached lap 8 when Jim Sullivan and Darv Nissen collided in the turn headed for the main straightaway. Nissen and Duane Harris traded the lead on these two starts and then on the third it looked like Harris from McHenry was going to keep it to the finish but on lap 10, Kenny Tolougan of Milwaukee went by him on the inside and sailed away to the win. Harris stayed in for second with Bill Strom, Jack Radtke, and Bay Darnell rounding out the first five.

GOLF

by Dan Coleman, Head Pro MIDLAND FARM COUNTRY CLUB Wadsworth, Illinois

The use of the woods presents some special problems which we will talk about here. In using the driver (No. 1 wood), you must tee the ball up just inside the left heel—instead of midway between the feet as in iron play. For the brassie (No. 2 wood) and the spoon (No. 3 wood), the ball should be played closer to the point midway between the feet. The position of the ball for the No. 4 wood is similar to that used in iron play—midway between the feet.

It is in wood play that the importance of moving all together in the golf swing becomes apparent even to the beginner. The longer shafts and the added leverage provided by the wood clubs can be effectively managed only by the weight of the body moving as one unit. You can't cheat the swing in playing the woods without ending up in disaster!

Another point to remember: most players without ending up in disaster!

Another point to remember: most players become too eager when they take a wood in hand. There is a strong urge to make use of that great big driver on the tee—especially if there is a wide fairway stretching out to the horizon before you. Stifle this urge. Get used to the idea of making a smooth EASY swing and you'll be surprised at the results. Concentrate on smoothness for accuracy—and distance will come later as a matter of course.

Some citizens don't file income tax returns—they just chisel—Phillips Dec.

Jim Lawrance scored wins in a 10 lap heat and then the semi-feature. Jim Olett of Hales Corners and Bill Bohn of Bristol were other heat race winners.

In the spectator cars, Bill Swantz of Union Grove scored two more wins for Wisconsin as he took the checker first in the 8 lap feature.

The cloudy skies held the crowd down to only 3025 and the purse was \$1564.

Rodger Otto of Burlington and Wild Bill Owens led the point standings.

Tips From The Tackle Box

THE PROPER DROPPER

A DROPPER—a fly or other gadget, tied to the leader ahead of the tail fly—can be a powerful comeon to game fish. The trick is to hit on a special combination which will make 'em sit up and take notice.

For an offbeat pitch with a punch, try a minnow's tail. Hang it on a small hook and fish it ahead of a conventional wet fly. Retrieve slowly, directly against the current, and hold your rod tip high. This keeps the minnow tail skittering and dancing along the surface, and it's this dapping action that drums up business.

When fishing a sunken nymph or wet fly, rig a large dry fly well up the leader from the nymph. The bushy fly will act as a bobber, holding the drifting nymph clear of the bottom, but ducking under the instant you get a strike. In the meantime, it will be working to draw rises from any fish that happen to be surface minded.

If you switch to a streamer or bucktail, give this a try. Tie on a small wet fly or nymph so that it swims about

Lake Villa Little, Pony League Games

By Mrs. Bernice Bernau
In Lake Villa Township Little League action last week the Cubs defeated the Yanks 3 to 2 and broke the tie with the Giants to move into first place spot. The Cubs have a 10 and 1 record, while the Giants' game last week was postponed and they have a 9 and 1 record.

An All Star team was chosen last week which will play in tournaments. On the Little League All Stars are: Mark Taylor, Jim Austin, Steve Schmeisser, Ralph Zanek, Rick LaChance, Denny Pleviak, John Meyer, John Prossie, Rick Atoller, Alan Stelter, Tim Downs, Ron Evans, Tom Houghton, Mike Pletz, Tim Meure and Tom Lump.

Scores last week were: Sox 4, Braves 6; Cubs 3, Yanks 2; Dodgers 2, Angels 1; Pirates 7, Sox 1.

In Babe Ruth League play last week, there was a close game between the Indians and the Twins. Mike Stelter of the Indians scored 1 of their 2 runs by hitting a home run, as the Indians defeated the Twins 2 to 0.

The Babe Ruth League All Stars were also picked last week. They are: Steve Mik (Continued on following page)

18 inches ahead of the streamer on the retrieve. This creates the illusion of a bait fish recklessly chasing after an insect, and it is by just such contrived hints of realism that big, cagey fish are fooled.

Try this touch for early season trout, lakers and landlocked salmon. Surface troll two identical bucktails or streamers in tandem. Lake fish are accustomed to bait fish that travel in schools, and the twin lures are more convincing by suggesting this familiar multiplicity.

To rig your leader for a dropper, snip at the desired point and rejoin with a barrel knot tied to leave a 10-inch strand free. Here's where you tie on the teaser.

Speaking of leaders, Gladling furnishes lengths, diameters and tapers to meet every need. End loops are color coded to indicate size—a little kink that saves precious time when rigging up.

**Many Want Deer
Hunting Permits**

Springfield, Ill., July 13—More than 40,000 persons have applied for shotgun deer hunting permits, William T. Lodge, director of the Illinois Department of Conservation, announced today.

Due to the tremendous volume of mail and walk-in requests for permits for the coming shotgun deer hunting season, there will be some delay in applicants receiving their permits. Under a department policy, all unsuccessful applications will be returned. The applicant may then re-apply for a permit in another county.

All successful applications will be held and the permits mailed at a later date. Director Lodge said that the applicants could assume that they will receive their permits if not notified by the department during July.

The season in the 16 northern counties will be Nov. 20 through Nov. 23. The 21 central and 22 southern counties will be permitted a season of two 3-day periods. The first will be Nov. 20 through Nov. 22 and the second will be Dec. 4 through Dec. 6.

The following counties have reached the quotas established by the department: Carroll, Jo Daviess, McHenry, Stephenson, Clinton, Galatin, Hardin, Johnson, Pope, Northern, Pope Southern, and Saline.

Spanish Teacher At School In Mexico

Mrs. Betty P. Scott, 503 Maple Avenue, Lake Bluff.

Ill., Spanish teacher at Antioch High School, is this summer attending the Bradley University Second Level Spanish Institute at San Miguel de Allende, Guanajuato, Mexico.

The institute is a cooperative project of the U. S. Office of Education and Bradley University, Peoria, Ill., for the purpose of improving instruction in the Spanish language. The institute is conducted in the facilities of Academia Hispano Americana.

Mrs. Scott has been teaching Spanish at Antioch during the past three years. Under the direction of Superintendent Albert L. Dittman, the Spanish program has progressed until last year there was in operation a specially designed classroom laboratory to assist students in becoming more proficient in the knowledge and use of the language.

The third year level of instruction is to be added next September to be followed in order by the fourth year level. This is the third summer that Mrs. Scott has studied in Mexico Universities since 1961, and she also attended the First Level Spanish Institute at Bradley University in 1962.

...and an invitation to you

Safety: In the 30 years since Congress established the Federal Savings and Loan Insurance Corporation, **NO ONE HAS EVER LOST A PENNY** in an insured savings account at any of America's Savings and Loan Associations insured by this Government agency. This is the safety record.

Size: Today, more than 4400 Insured Savings and Loan Associations serve 35 million savers in practically every community in the United States and its territories. They make more home loans to American families than all other financial institutions combined.

Service: These facts reflect the fuller, more prosperous life for all Americans which the Insured Savings and Loan Associations have helped to create by encouraging thrift and home ownership. Your savings with us help your neighbors own homes, help create jobs for a million construction workers, income for suppliers, orders for factories. Your savings with us are "dollars on the move" helping your community to grow—and business to prosper.

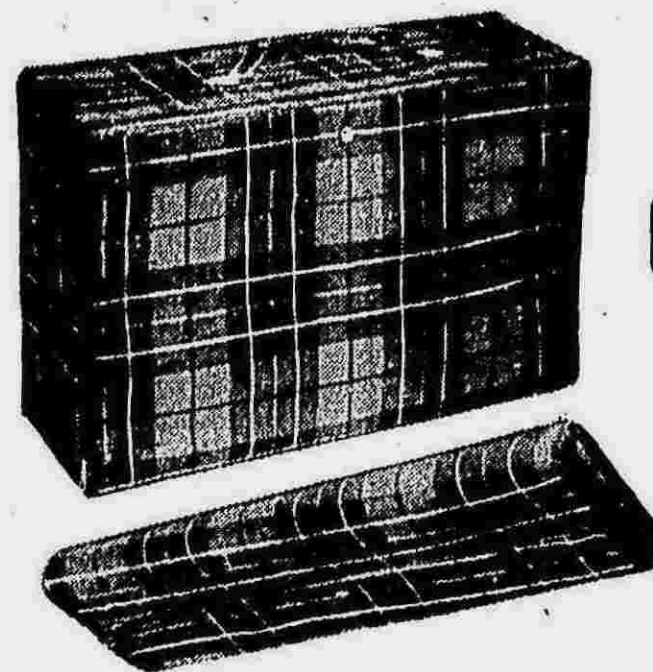

Invitation: We are grateful to you for making this message possible, and invite you to make still greater use of our specialized services. We can suggest no better way to make the most of your Federal income tax savings than by putting them into a profitable savings account at **Antioch Savings and Loan Association**. Recruiting State Troopers Now

The Illinois State Police Merit Board has announced the beginning of its annual summer-long recruiting for state troopers. Applications for admission to a late winter session of the Police Academy will be accepted between now and the first of September.

Salary range for troopers is \$460 to \$650 a month with substantial increases for advancement in rank. Persons interested in a career as an Illinois State Highway Trooper should write the State Police Merit Board, Fifth Floor, Centennial Building, Springfield, for details.

Prince of Peace Church
The CYO Club will receive Holy Communion Sunday, July 19, at the 8 o'clock mass. All teenagers of the parish are invited to attend and receive with the Club.

The CYO Club is sponsoring a dance at the VFW hall Sunday, July 19, starting at 7:30 p.m.

The social held on Friday evenings will not be held this week, because of the dance on Sunday. Chaperones are urgently needed if the Club is to continue. The Club has a full calendar of events, but they will not be able to carry them out if they do not have the cooperation from the parents.

ents. If you, or anyone you know can help, call Charles Hauber, Jr., at Elliot 8-7366. St. Mark Lutheran Church in Lindhurst.

There will be no worship services or Sunday school at St. Mark next Sunday, July 19. The Congregational picnic will be held at Lutherdale Bible Camp, and worship services will be held in their Chapel at 11 a.m.

The quarterly statements were given out after last Sunday's services. Those who didn't get theirs, will receive them in the mail.

Vacation Trip
Chuck DeSomer, his wife Marge, and their children, Carol, Greg and Wayne, spent their vacation last week, fishing, boating and swimming at Chetek, Wis. Cathy Dobsiaf went with them.

Women's Club News
Twenty-eight members and two guests, Joyce Beattie and Lill Petersen, attended the Lindhurst Women's Club meeting last Thursday evening. Pat Parpan, president, announced that she had ordered a flag, through Rep. Robert McClory, to replace the one that Mrs. Leo Lewis donated. It will be several months before the flag will be received, but it will be a large one that has flown over the capitol.

Rae Gibbons announced that reservations for the Luau must be made and paid for by August 1. The affair for the benefit of the Civic Center, will be held Sept. 26.

Rae Gibbons, Mickey Shepler, Carol White, Bridie Gibbons and Jenny Volpentesta are on the committee for the Children's Christmas party.

Betty Ireland, Millie Caldwell, Marie Anderson, Pat Riecky and Helen Gilson, are on the "Western Dance" committee. No date has been set. Birthday ladies were Dorothy Skrzynecki, Dorothy Kovanda, Marie Anderson and Connie Walsh. Mrs. Skrzynecki received a set of place mats.

Hostesses were Pearl Kockler, Mary DiSilvestro, Jeanette Piefer and Barbara Hendrickson.

Birthday Party
Kevin Gibbons had a wingding of a party Saturday afternoon to celebrate his eighth birthday. In on the fun were Greg and Jan Hendrickson, Mary Jo, Ray and Brian Parpan, Barbara and Mary Brendel, Danny Mills, Nancy Schaeffer, Ted Restarski and Scott and Kelly Gibbons.

Court of Honor
Girl Scout Troops 173 and 211 held their Court of Honor Friday evening at the Lindhurst Civic Center. Mrs. Betty Wells is leader of 173 and Mrs. Gladys Kister, her co-chairman. Mrs. Mickey Jadrowski, leader of Troop 211 is in Europe on vacation.

In order to earn their Challenge pin, Diana Lou Colbert and Judy Blue had charge of the event. Mrs. Melvin Colbert helped them.

Those receiving Challenge pins, Attendance pins or Proficiency badges were Suzanne Lazansky, Judy Blue, Diana Lou Colbert, Connie Rozga, Barbara Richoldt, Beatrice Gange, Joan Lavalie, Patty McCleod, Donna Matthias, Kathleen Hartwig, Linda Myslinski, Pamela Pontero and Ruthie Ireland.

The girls earned their Challenge pins when they prepared and served all the food for the Lindhurst Women's Club at their June meeting. They also presented the program that night.

BLOCK PARTY
The annual monthly S.

Thornwood Block Party was held in the Frank Skrzynecki garage and family room last Saturday evening. Attending were the Myslinski, Ponteros, Beatties, Piefers, MacChes, Kleffners and the Gibbs. Guests were the Tom Kavanahs and two cousins of the Gibbs, from Milwaukee.

Cleanup Squad
If the grounds to the left of the Lindhurst Center look a lot nicer since the old grape vines, broken glass and scraps of old wood have been cleaned up, you can thank John Leavy, Mike Stokler, Johnny Kleffner, John Meyer, Al Steiner, Michael Hartwig, Jim Blitner, Brian Wells and Gary Hunt, members of Boy Scout Troop 84. Super-vising and digging in with the boys were Mrs. Ray Parpan, president of the Lindhurst Women's Club, Mrs. Milton Lazansky, Mrs. Clarence Kleffner and Paul Hunt.

After everything was picked up, they raked the grounds and weeded the area where the Garden Club planted the trees and grass. The boys earn a badge for their Civic Project.

They hope to clean up the area to the right of the Civic Center, where the entrance to the old ice house was. (Now if the village would only keep the grass mowed to Lindhurst Drive, that section wouldn't be an eye-sore.)

In Europe
Mrs. Bob (Henrietta) Okon, 1824 Hazelwood Drive and her daughter, Marie, flew to France June 27, to visit her parents, Mr. and Mrs. Fraval, who live in Chanas, France. This is their third trip back since 1946, and they plan on staying two months.

Visiting
Mrs. Carol Bogda's mother, Mrs. Alma Hanson of Forest Hills, near New Port Richey, Florida, has been visiting her for the last three weeks. She

also has been visiting her son, Robert Hansen in Gurnee. Mrs. Angeline Mule of Norridge has been visiting her daughters, Mrs. Pearl Kockler and Mrs. Sari Plotzke, who live only a block apart on Fairfield. Mrs. Mule was a guest of her son-in-law, Frank Plotzke, when the Holy Name Society took their mothers and mothers-in-law to Smar's for Mother's Day.

Ace Minne was surprised over the Fourth when his daughter, Carol Hizers, her husband, Don, and their children, Suzie G and Christie, I, drove up for the holidays from Detroit, Mich.

The Minnes' Welch Corral had six pups three weeks ago. The dogs are very rare, and resemble a fox and have no tails. The father of the litter is also a champion.

Retirement Party
Mrs. Al (Minnie) Hart, of 2312 E. Briar Lane was one of three telephone operators who were guests of honor at

a retirement party last Wednesday evening at Han's Supper Club. Mrs. Hart retired in May after working for the phone company for 40 years. The other women were Miss Lillian Anderson and Mrs. Cora Stauche, both of Waukegan.

Anniversary Celebration
Ray and Millie Caldwell of 2118 E. Old Elm Road celebrated their 20th wedding anniversary July 6, by having a party at the Lindhurst Civic Center last Saturday evening.

'Big John' Wins In National Competition

John Teresi Chevrolet-Oldsmobile, Inc., 885 N. Main St., in Antioch, has just been named winner in sales competitions held nationally by the Chevrolet and Oldsmobile Divisions of General Motors.

Teresi Chevrolet-Oldsmobile won first place in their group in the Chevrolet Sales Fair - and first place in their group in the Win With Olds contests, ahead of 59 competing Oldsmobile dealers.

A newcomer to the Lake County area, John Teresi opened his Chevrolet-Oldsmobile dealership in Antioch just one year ago. In that short period of time, he has remodeled and enlarged his showroom, lot and service facilities. Increased his entire staff many times over its original size, both in the sales and service departments.

Through consistent determined salesmanship, coupled with outstanding service, the Teresi organization rapidly made itself known to all of Lake County as the most aggressive automobile dealership to appear on the local scene in many years.

Results proved conclusively how the Teresi dealership was welcomed, as sale after sale, brought referral after referral. Recently Mr. Teresi adopted the name by which he was often addressed - "Big John."

A strong advertising campaign was developed based on the Big John characterization until now, "Big John" has become synonymous with Teresi Chevrolet-Oldsmobile. By keeping the dealership Inc.

cuses, campaigns, and even party conventions. There were guest speakers such as judges, the mayor of Jacksonville, and the assistant to the Secretary of State. They talked to us about the challenge of citizenship which confronted us as young Americans. In one word, Illinois Girl's State was GREAT! I'll be very honored and pleased if I'm able to return as a counselor in 1966."

Miss Tanner was elected a city clerk, and delegate to the Nationalist State Convention.

Election of the 10th District Delegates and Alternates followed Miss Tanner's talk. Mrs. Alex Hoffman, Mrs. Burt Anderson, Mrs. Walter Hills, Mrs. Earl Horton, and Mrs. Myra Randall were elected delegates, and Mrs. Joseph Horton, Mrs. Thomas Chase, Mrs. F. A. Swenson, Mrs. Lucy Himmens, and Mrs. Anton Johnson were elected alternates. The meeting was concluded with refreshments served by Mrs. Paul Chase and her committee.
